

Green Paws

1:1 Support Coaching

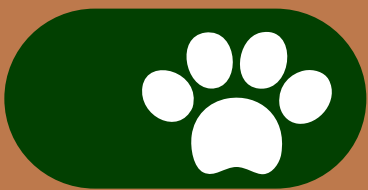

GREEN PAWS
Boarding and Training

Using positive, force free and science-based training methods, Addi believes that giving your dog a fair chance to make the right choice is key to having a good life with them.

Addi will give you and your dog consistency in your dog training, push you towards your goals and help you understand your dog even better. Consistently work towards your goals with the knowledge that you cannot do wrong.

What You Get:

- Pre-Assessment Worksheet to pinpoint problems
- 1 x 30 mins Google Meet to discuss pre-assessment, training progress, questions, homework review, etc.
- 1 x 1 hour Training Session in person at your home, location of session, etc.
- Individualized Training Plan and Homework (google document)
- Video Homework feedback within 24 hours
- Unlimited access - ask questions, share successes, send me your video homework and you will hear back from me within 24 hours!

How It Works:

- Cost of the support coaching is \$209
- Pre-Assessment Worksheet is send to you, you fill it out 48 hours before our first Google meet (link in worksheet)
- The first training session will be after the first Google meet (~14 days after)
- Repeat program for another month (if needed)
