

Green Paws

1:1 Coaching for Challenging Behaviors

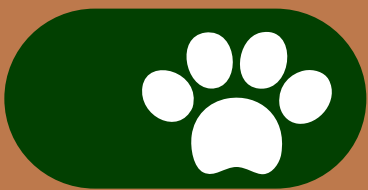

GREEN PAWS
Boarding and Training

Addi has worked with fear, aggressive, reactive and/or anxious dogs in Vermont. Using positive, force free and science-based training methods, Addi believes that giving your dog a fair chance to make the right choice is key to many (if not all) behavioral issues that we are seeing in today's world.

What You Get:

- Pre-Assessment Worksheet to pinpoint problems
- 2 x 30 mins Google Meet to discuss pre-assessment, training progress, questions, homework review, etc.
- 2 x 1 hour Training Session in person at your home, location of session, etc.
- Individualized Training Plan and Homework (google document)
- Video Homework feedback within 24 hours
- Unlimited access - ask questions, share successes, send me your video homework and you will hear back from within 24 hours!

How It Works:

- Cost of the behavior modification coaching is \$449
- Pre-Assessment Worksheet is send to you, you fill it out 48 hours before our first Google meet (link in worksheet)
- The first training session will be after the first Google meet (~7 days)
- Then the next google meet and then the training session, completing the coaching in a month's time
